The Loom of the Fates

Every card played face up or Burned ties a knot on its thread

Obsession

Clinging, grudges, what the soul cannot let go.

BACKLASH

Grasping

The soul clutches its grudges: a Shade appears beside it.

Acceptance

Tenderness, forgiveness, peace.

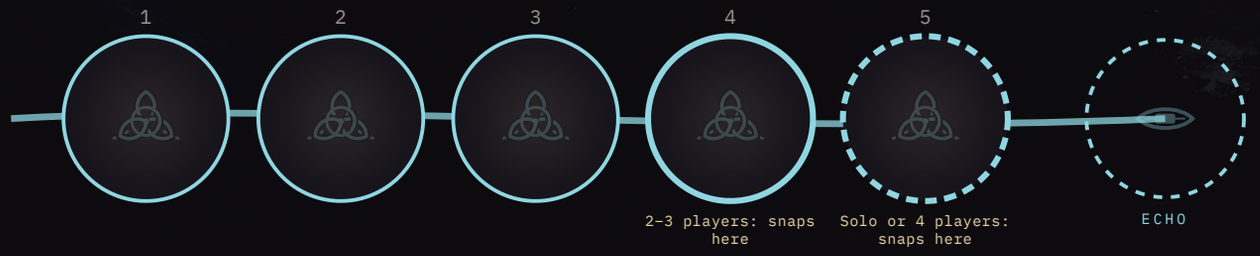

BACKLASH

Resignation

Put the Resignation token beside the soul: at the next Soul Step it Lingers, forgetting a card, and the token is removed.

Oblivion

What has been let go.

BACKLASH

The Tide Rises

Too much has been let go: Black Water floods the space ahead.

When a thread fills, it snaps: resolve its Backlash, then take its knots off. The Loom clears when the soul enters a new Reach; the Echo token stays where it is.
